Selected Parks will Host FMCA Chapter Rallies

Selected North Dakota State Parks will host pre-convention rallies prior to the start of the Family Motorcoach Association's 74th International Convention in Minot. The FMCA convention August 15-18 is expected to bring 4,000 to 5,000 motorhomes to the North Dakota Fairgrounds.

State Parks hosting chapter rallies prior to the convention include Grahams Island State Park near Devils Lake, Lake Sakakawea State Park near Pick City, and Fort Stevenson State Park south of Garrison. Most reservable sites at these three parks have been booked for the week of August 8-13, and first come, first serve campsites are expected to fill fast.

At Grahams Island State Park, an estimated 50 motorhomes, from the Mandalay FMCA Chapter, are expected in the park August 8-12.

Lake Sakakawea State Park will host the Safari International FMCA Chapter pre-convention rally August 9-12. An estimated 112 motorhomes are anticipated to be in the park.

Fort Stevenson State Park will host 50 motorhomes August 8-14 from the Alpine FMCA Chapter on August 8-14; and 40 motorhomes August 12-13 from the Fore Travel Chapter.

For additional information, contact Grahams Island State Park at 701-766-4015; Lake Sakakawea State Park at 701-487-3315; or Fort Stevenson State Park at 701-337-5576.
